You are Invited to Participate in the 35th Annual Charity Golf Tournament, Monday, August 27, 2018

Dear Golf Tournament Sponsors and Players,

Thank you for supporting our golf tournament. As a sponsor and/or player you are assisting the Rotary of Avon-Canton in their efforts to support charitable needs within our communities. In addition, you are joining hands with 1.2 million Rotarians throughout the world making it a better place by providing assistance in the areas of Clean Water, Health, Hunger, and Literacy. Our response manifests Rotary's concern in helping those less fortunate and offers evidence of what Rotary does best: *Service above Self*. We look forward to your participation in our 35th Annual Golf Tournament on August 27, 2018 at the Golf Club of Avon.

This year's tournament promises to be the best yet!

Rotary of Avon-Canton Pledges \$150,000 to Favarh

Keeping with Rotary's commitment to public service, a portion of proceeds from the Tastes-of-the-Valley and the annual golf tournament will go towards the construction of an exciting new Life Enrichment Program (LEP) building for Favarh – The Arc of the Farmington Valley. This project will help the nonprofit provide even greater support for its clients with intellectual and developmental disabilities. The 7,500 square-foot building, located at Commerce Drive in Canton, will enhance Favarh's day programs for adults who can't work because of disability and medical complexities or who have retired from work. Favarh day programs place a high emphasis on daily community excursions with a priority on volunteer work.

The new facility will be named the Rotary of Avon-Canton Building

The Rotary has pledged \$150,000 through 2021 toward the project. The new building will be adjacent to the Rails-to-Trails, enabling the inclusion of a Rotary Café operated by Favarh participants where walkers, bikers and their canine friends will be able to enjoy healthy snacks and drinks. Construction is expected to begin this summer, with completion slated for late 2019. Anyone interested in donating to the project can send contributions to:
